I am back from San Diego!

This sure was fun. Sunny 75 F, breeze from the bay, and yes – a Convention Center full of yarn! So have a sneak peek at what new goodies are coming.

NOTE: Some of these won't be here until April.

💞Valentine's Zone💞

Charles Chocolates
are treating us to their
collection of Meltaways:
Heart-shaped truffles with
Peppermint, Mocha or
Raspberry ganache
surrounded by the out-of
this world goodness of
white, milk or dark
chocolate. Yes, I HAVE
tried them all 😊

Julie from Naked Cat fibers mixed up the most romantic dyes for her Needle Felted Hearts Kits. You can make two big ones or several smaller hearts.
